Dance Academy

COVID STUDIO POLICY

Any students feeling unwell must stay home and not attend class.

Once well students will be able to attend a make up lesson throughout the timetabled classes by booking this in with Miss Hayley
hayley@inspiraitondance.com

Drop Off and Pick Up

Our waiting rooms are now drop, kiss and collect zones. Carers/Parents should safely drop and collect students from the classroom and avoid waiting in these areas for the duration of the classes.

Classes will finish to allow enough time for students to exit their classrooms and be collected safely to the guardians.

Where possible only one parent/carer to collect or drop off student to minimise amount of people in the buildings

Hygiene

Students are to arrive to class in their dance attire and avoid changing at the studio if it can be helped.

All members must sanitise hands upon entry of the studio. Sanitising stations are available at the entry of each studio.

Students are to keep all their belongings with them at all times. Students will be asked to place their belongings on the shelves in the studio so they do not create a trip hazard.

No food is to be consumed in the studios

Students must bring their own drink bottle clearly labelled to class and must not share at any time

Physical Distancing

Students Should be aware of social distancing rules and regulations.

Where possible maintain physical distance from each other, in and out of class. That means no hugging, high-fiving or other forms of physical contact within the studios.

Class rolls will be kept safely and securely for covid 19 tracing purposes for the NSW Health if needed
